Healthcare Expo & Classic Car Show

Join us for an evening of vintage cars, community connections, and valuable resources at our Healthcare Expo & Car Show, sponsored by Hallmark Homecare!

Take a stroll through the classic car show while meeting local healthcare and community resource providers. Representatives will be onsite to answer questions, share information about their services, and connect you with resources available to you and your family.

Plus, enjoy raffles and a fun evening with friends and neighbors! We hope to see you there!
